

UNHAPPY WITH THE CURRENT STORAGE SITUATION?

BÖCKELT TOWER® can solve your problem with the storage of sheets, long goods and other materials!

Reorganize important **production areas**! By optimizing warehousing, administration and logistics processes, you can work more **effectively**, increase your productivity and thus **save enormous costs**.

Flat goods

Sheet metal plates, sheet metal packages and other flat goods

I want to ...

- ✓ Use room heights efficiently
- ✓ Transport stored goods within the company
- ✓ Have maximum storage capacity
- ✓ Link multiple storage locations dynamically

BÖCKELT TOWER®
CASSETTE RACKS

I want to ...

- ✓ Optimize machine running times
- ✓ Store material close to the machine
- ✓ Load processing machines
- ✓ Store bundles, and also small and residual quantities

BÖCKELT TOWER®
**DRAWER RACK
EXCHANGE TOWER**
